

## 5kg lot of ghassoul traditional white clay natural BIO

Reference: ghassoul5kgbeldi  
EAN13: 3700830427745

5kg lot of Ghassoul traditional white clay Beldi organic natural for body care economy and family format

Its extraordinary absorption power makes it more effective than other clays for cleaning, in addition, this Ghassoul contains higher levels of potassium and calcium of silica and magnesium, than other clays.

### **Traditional Moroccan-made product**

Use:

Mix the Ghassoul with the same volume of water, allow to hydrate for 3 minutes before using.

Ghassoul can be used as soap, skin conditioner, shampoo and face mask. It has washing power because of its saponin content.

This Ghassoul is of high quality, contains only clay and little or no silica, a guarantee of its quality
