EAN13: 3700830427769

5 kg batch of 100% natural black eucalyptus soap beldi for economical and family-size body care

Black Soap is suitable for all skin types. The ingredients are 100% natural. This Black Soap is enriched with a true essential oil of Eucalyptus very rich in vitamin E.

The Black Soap prepares the skin for exfoliation by leaving it soft, satiny and silky.

Use:

Wet the area concerned, then emulsify the Black Soap with Eucalyptus on the whole body, leave on about 5 minutes.

Rinse, then scrub with a kessa glove by making loose movements to remove impurities from the skin.

Rinse again, then apply vegetable oil.
