Treat yourself to the luxury of a hammam at home with our Desineo complete acrylic hammam cabin, designed for quick and easy assembly. Here's why our cabin is the perfect choice to transform your home into a true spa:

- **Elegant design** : The fully glazed front of the cabin offers a modern aesthetic and allows harmonious integration into any type of interior.
- **Optimal comfort** : Equipped with 4 seats molded in 8 mm thick fiberglass-reinforced acrylic, our cabin guarantees strength and durability.
- **Vaulted roof** : The vaulted ceiling design prevents condensation droplets from settling, ensuring a more pleasant and comfortable experience.
- **Universal Compatibility** : The cabin is compatible with all of our available generators, accessories and lighting systems, allowing you to customize your experience to your preferences.
- **Ease of installation** : Sold in a kit of 7 parts with sealing strips included, this cabin is ready to assemble upon arrival, without requiring complicated work.
- **Robust technical characteristics** : With generous dimensions of 190 x 130 x 225

cm and walls with a thickness of 63 mm, our cabin is designed to offer both space and effective insulation.

- 2-year warranty : Enjoy peace of mind with our two-year warranty, ensuring the quality and reliability of your purchase.

Transform your space into an oasis of relaxation with our Desineo hammam cabin, combining modern technology and traditional hammam comfort.
