Niche in XPS ready to til 600 x 300 x 90 mm premium for bathroom steam room

Insert and til your space directly or place your wellness products in your steam room or bathroom!

This tiled-ready niche will allow you to create a recess in your wall so that you can put your wellness products (shampoo, essential oils, aromatherapy...).

Make it easy thanks to a coating allowing an easy application of a finishing coating (tile, fayence, tadelak etc...)

the material chosen is the xps (extruded polystyrene) in order to maximize its solidity and quality.

Create storage space while giving style to your room
