Reference: SHKM220PS
EAN13: 3700830429893

Harvia barrel type outdoor sauna with wood stove 220 cm (L) x 220 cm (diameter)

Find our range of outdoor saunas. Barrel-shaped This sauna will meet all your desires for comfort, escape and relaxation.

Typically Finnish, the outdoor sauna is truly the genesis of what a sauna is.

The power supply for this wood-burning machine will allow it to be installed in atypical places, isolated or without an electrical connection.
