Eucalyptus essence for hammam desineo 1 liter

Discover our hammam emulsion with eucalyptus essence, a delicate fusion of premium natural essential oils.

Our hammam emulsion offers an incomparable aromatic experience, thanks to a wide selection of carefully chosen scents. Create an enveloping and relaxing atmosphere during your hammam session.

Simple and effective use: mix eucalyptus essence with water (ratio 1/2 in water) or put pure essence in the small container on the aromatherapy nozzle. The amount of emulsion needed depends on the size of your cabin and the intensity of the desired aroma. After use, no residue remains on the skin.

Precautions for use: Keep out of reach of children and store under lock and key. In case of contact with eyes, rinse with plenty of water.

Composition: Water, emulsifier, ethyl alcohol, eucalyptus essential oil.

Transform your hammam session into an unforgettable sensory experience with our eucalyptus essence emulsion.
