

# Aromes for Sauna Eucalyptus and Birch Rento 2x400ml

## Product description:

Aromatherapy pack for Sauna Eucalyptus + Birch 2x400ml

Turn your sauna session into a revitalizing experience with the delicious and invigorating aroma of birch. This aroma makes every moment of relaxation more pleasant and refreshing.

## Instructions for use:

- Pour 2 to 4 aroma caps into a bucket of water.
- Throw the scented water on the hot stones of the sauna to release the perfume.
- Shake well before use and rinse the bucket after each session for optimal maintenance.

Important advice: Do not store aromas in the warm sauna to maintain their efficiency and safety.

Bring a new dimension to your sauna ritual with the Eucalyptus and Bouleau Essence for Sauna 2x400ml RENTO, and enjoy its invigorating benefits.
