Veil of sauna Eucalyptus 250 ml

Breathing in the fresh and penetrating aromas. The essential oils of eucalyptus are without doubt the most used in saunas and hammams. The power of the scent of eucalyptus gives an impression of ultimate freshness and vitality. Particularly indicated in respiratory ailments, eucalyptus frees the bronchi. This plant is used in many pharmaceutical compositions for his many virtues anti-inflammatory and anti-infectious.

Use:

Perfectly water soluble, the fragrances spread generously when the solution diluted at the rate of 10-20 ml per litre of water (1 to 2 caps) is poured on the hot stones of the stove.

Veil of sauna Eucalyptus is a fragrance diluted, perfectly suited to the sauna, it is not recommended using pure essential oils in a sauna that can give off a very strong fragrance!

VEIL of SAUNA of CAMYLLE is recognized and approved by the biggest brands of sauna.
