# The Amore - Spa

## **Product description:**

Amore Spa is characterized by efficient use of space and an exceptional massage experience.

staggered bucket seats allow users to face without having to share the space for the feet, and the comfortable lounge seat allows even a person of great stature to rest comfortably.

L'amore is equipped with a multitude of experiences of massage, including our system of Aqua Rolling massage that pampers and ground your body like a real masseuse. Several types of massages, large jets, water fountains, audio system and proprietary water purification system in synergy makes the Amore spa 3 places best equipped.
