# The Euphoria - Spa

## Product description:

The Euphoria spa combines the most innovative spa massage never developed to a configuration of 4 places offering several types of invigorating massage.

The bed of Levitation™ was developed by Spas Passion and allows the user to lie on the massage bed

on the stomach or back for a massage of the head on both sides of the body. Euphoria has also

a comfortable lounge and bucket seats, offering plethora of experiences of massage, such as Massage

Aqua Rolling™, area of Intense™ care and care wave™ and Cascade™ Massage area.

Jets 100 + enable you to target a part of your body with an invigorating massage, and the pressure of the jet can be controlled throughout the spa. Euphoria contains our system of water purification Synergy as well as the full range of equipment available in our Spa "Signature" series
