

Disinfectant Sterylane Sauna 1 litre for wet areas

Product description:

STERYLANE SAUNA 1 liter

Hygiene and maintenance products

The solarium, the sauna, the hammam and the Spa have several aspects in common:

- heat that promotes the development of germs
- direct skin contact
- an environment that promotes sweating

For these moments of relaxation retain their magic, a perfect and strict hygiene is necessary.

The cleaners STERYLANE range has been developed to meet the requirements of these particularly sensitive environments during maintenance of your spa, sauna, hammam and spa facilities.

The STERYLANE line active ingredients have been tested standards bactericidal, virucidal and fungicide effect.

The range contains essential oils and has thereby been enriched deodorizer power, which will enhance the cleaning of an impression of pleasant freshness.

Precautions for use:

Product for external use. Do not swallow. Keep out of the reach of children. Avoid contact with skin and eyes, wash immediately with plenty of water and consult a specialist. Wear appropriate gloves.
